Context

Equality is a human right. We are all entitled to live with dignity and with the freedom of self expression without fear. These rights should apply for people of all genders, sexual orientations, beliefs, ethnicities or any other individual in a minority.

The challenge

Can you think of a way to change current behaviours and inspire people to understand the value brought by treating everyone equally?

You may simply want to raise awareness, or perhaps you can think of a way to actively change human behaviour and understanding.

Creative Conscience themes

Your project should fit into at least one of our six impact themes:

- Community
- Education & Learning
- Environment & Sustainability
- Equality & Justice
- Health, Wellbeing & Disability
- War & Crisis

Please upload a PDF (<15mb), or for video entries please include a link to your video in the submission form. Also include at least three key images of your project (each of which should be at least 1600px wide and either saved in .jpeg or .png format).
